

Year 5/6

Spring Term 1

We have had a great first week back at school, with all the children coming back rested and very positive about starting the new term. We have already started focusing on our PSHE topic which is called 'Going for Goals'. The topic is centred around learning the skills to be able to choose and work towards a personal goal, with a particular emphasis on positive thinking and being a good learner.

OUR MAIN TOPIC	History - Maya Civilisation
SCIENCE	Electricity
RE	What do religions say to us when life gets hard?

We will also be having weekly Music or singing, PSHE, French and PE lessons, as well as English and Maths.

PE

We have PE on a **Monday** and **Wednesday**.

Please remember that your child needs their PE kit in school every week. As it is getting colder, trousers and a warm top are needed for PE lessons on a Wednesday.

Your help

Please continue to hear your child read as regularly as possible. For more-able readers, ask your child about the books they are reading. All children should be using their reading journals to record any reading that they are doing. Weekly homework and spellings will also continue being given out on a Thursday or Friday. In class, we are continuing to focus on times tables and we would be really grateful if you could help your child with these at home. Below are a couple of websites that your child could use to help them.

<http://www.topmarks.co.uk/maths-games/hit-the-button>

<http://www.bbc.co.uk/bitesize/ks2/maths/number/multiplication/play/>

Please help your child with these things – your support is invaluable.

Please come and see us after school if you do have any questions or concerns.
Thanks for your support

Mrs Clemens, Mr Dobson, Mrs Martin, Mrs Dickenson, Mr Gotheridge
