Length and height.

English

Writing poems about our senses.

Traditional tales from different cultures.

Recounts.

Topic

Our topic for this term is 'Plants'. We will be learning about the structure of plants, how plants grow and we will also be identifying different types of plants.

Key stage 1 Summer newsletter

Well-being days

At the end of the spring term, we had two full days dedicated to promoting our well-being. We did many lovely activities such as parachute play, yoga and tai-chi. We also made worry dolls, which are designed to allow children to express a worry. This worry is then held by the doll under their pillow to enable them to sleep. We have also talked about telling our worries to adults. Finally, we reminded the children how to keep safe on the internet.

Named water bottles

Now that the weather is becoming warmer, please ensure that your child brings a named water bottle to enable them to have a drink.

Thanks.
