Dear Parent/Carer

ONLINE SAFETY PARENT SESSION AT LADYWOOD PRIMARY SCHOOL

On **Monday 25th September** Ladywood will be having a visit from Traci Good, a consultant in e-safety, to conduct an Online Safety session for parents. There will be two sessions on the day, at **2pm** and **4.45pm**. The sessions will run for approximately 1 hour.

Traci will be talking about the amazing opportunities the internet has to offer to our children and also looking at some of the risks that our children face and how we can deal with them, should they happen.

Traci says: Firstly, and most importantly, this isn't a session to tell you how to 'parent your children'. My experience tells me that our children are accessing inappropriate content from an earlier age than ever before. As Parents and carers, we need to understand some of the risks they face and how we can support them and where we can get help ourselves if we need it.

If you would like to attend the Online Safety session, please complete and return the slip below to Dallimore School Office, indicating how many people will be attending and your chosen time slot. If you have any questions you would like to submit beforehand, please write these on the slip provided. Any questions will be kept confidential and answered at the session.

We look forward to seeing you.

Yours sincerely

Mr C Edwards
Computing Co-ordinator
