Dear Parents and Carers

15 September 2017

It is lovely to see all the children back at school ready to learn. We trust you had a great summer break.

This year we will be covering many exciting topics such as Electricity in Science, Romans in History as well as English, Maths and Reading on a daily basis. There are a few things to remember for Year 3 and 4.

Reading with your child and signing the Purple Reading Journal every night, or as often as you can, makes an incredible amount of difference to the progress of your child in all subjects. This year, we have a class competition every week for the child who reads the most at home, so please encourage your child to read.

As well reading, there will be a small amount of homework most weeks. This goes home on a Friday and comes back the next Thursday. If there are any problems with the homework, please come and speak to us about it.

Our P.E days will be Wednesday for all Year 3 and 4 children. The year 4 children will go swimming on Fridays, and Year 3 will have an extra P.E session during this time. Children will need to have the appropriate school kit at all times.

All children have made a great start to the year, so thank you for your support. Please do not hesitate to come and see us or make an appointment if you have any concerns or questions.
