

Year 5/6

Autumn Term 1

Welcome to Year 5 and 6

Our topics this term include:

MAIN TOPIC	The Vikings
SCIENCE	Solids, Liquids and Gases
RE	Pilgrimages

We will also be having weekly Music or singing, PSHE, French and PE, as well as English and Maths.

PE
Please remember that your child needs their PE kits in school every week. We have PE on a **Monday** and/or **Wednesday**. Wednesday sessions are often outdoor, so please ensure that your child has appropriate kit and footwear for this.

Bottles
Your child may bring a bottle into class if they want a drink. This should be **water only** and the bottles should be taken home each night to be washed.

Your help
Please aim to hear your child read as regularly as possible. All children should be using their reading journals to record **any** reading that they are doing; this could be their own books or school ones. Your help with this is really important as regular reading will help your child progress at a faster rate.

Weekly homework and spellings will be given out on **Fridays**.

York trip
A separate letter will be sent out about our trip to York closer to the time.

Please come and see us after school if you do have any questions or concerns
Thanks for your support

Mrs Clemens and Mr Dobson (56CD)
Mrs Martin and Mrs Dickenson (5MD)
Mr Gotheridge (6G)
