## INTRODUCTION

Section 42 of the 1986 Education Act provides for the Governing Body of a school with delegated budgets to have control over use of the school's premises **outside school hours**, subject to directions by the Local Education Authority (further details in the 1988 Education Act) and to the statutory requirements of any other Act and having regard to the desirability of use by the local community.

The use of school's premises outside school hours is therefore delegated to Governing Body in accordance with the Education Committee's Regulations for the letting of school premises R9.

The Education Reform Act requires that finances be delegated for statutory school activities i.e. Community Education, LEA initiatives etc, and that this delegation is subject to any direction issued by the LEA to maintain community provision.

The Dallimore Primary & Nursery School Governing Body has delegated the approval of lettings to the Headteacher, with summaries of lettings use presented to the Governing Body Resources Committee on an annual basis.

## CATEGORIES OF LETTINGS

### a) Governors/School use – Free of Charge

There will be no charge for Governors' meetings, PTA meetings, extra-curricular activities, staff professional and recreational activities, ex-pupils associations or other school linked activities, but if required appropriate lettings application forms should be completed for all such events so as to ensure full insurance cover.

### b) Other Lettings to external bodies/ Organisations – Chargeable Lets

Dallimore Primary & Nursery School will charge for all other lettings outside of school hours.

## COSTS

The Headteacher will determine the charges levied. The charge will be comparable with the local competition, and appropriate to the type of organisation requesting the let eg) a charity event as opposed to a commercial booking.

The LEA recommends that the charge should also take into consideration the following elements:

- ii) Caretaking Fees
- iii) Per Capita costs – attendance
- iv) Computer & Printing Costs
- v) Lettings by non-community/commercial groups
- vi) Excessive cleaning

These will be applied based upon the Caretakers’ hourly rate along with a surcharge of a minimum of 20% per letting to cover National Insurance contributions and other on-costs.

iii) PER CAPITA

A per capita cost can be included to cover the cost of items such as water rates, water disposal, insurance and general wear and tear on the fabric of the school will be levied per person attending. This charge (proposed 20p per person upto a 4 hr period) will be reviewed annually by the Governing Body.

Furthermore, public performances and events involving attendance by the general public will carry an additional charge per letting (presently £10) which the Governing Body will review annually.

iv) COMPUTER AND PRINTER COSTS

Combined computer/printer and printer charges will be levied at 40p per unit per 2-hour period.

v) LETTINGS BY NON-COMMUNITY/COMMERCIAL GROUPS

A surcharge of up to 50% of the total cost can be applied to lettings of school premises to non-community and commercial groups.

vi) EXCESSIVE CLEANING

The School reserves the right to levy an additional charge of 10% of the total fee in the event of excessive cleaning being necessary following a letting.

vii) PROFIT MARGIN

A profit margin of at least 5% will be added to all lettings to ensure that the school does not operate at a loss at any time of the year.

A charge per item will be added to all lettings for which any school equipment is used i.e. dance and drama, sports hall kit etc. This will be used to by the school towards the cost of any repairs or replacements required.

ix) OTHER COSTS

Charges for administration and/or for use of any other equipment will be at the discretion of the Governors but in any event will not exceed a maximum (presently 5%) of the whole letting.

It is recommended that the total cost of a particular letting will be the sum of the individual costs for all the above components.

## ADMINISTRATION

Lettings can be cancelled with at least one month's notice however cancelled lettings with less than one month's notice will attract any charges incurred by the School. LEA Debt recovery procedures will be taken to recover any unpaid debts. Governors will ensure that any costs incurred by the school are recoverable.

Wherever practicably possible the administration process will follow that laid down by the LEA in Section 4 of its document "School Premises Lettings 2000/01".

The frequency, immediacy and nature of lettings however, are so varied that strict compliance with a particular process is not always possible. In recognition of this the Governing Body will seek to ensure that the process employed will be in the spirit of the published guidelines, but discretion will be given to those operating the process on a day-to-day basis.

## REVIEW

The Governing Body will review the School's "Premises Lettings Policy" on the publication of any new guidelines from the LEA.
