Modeshift stars

Modeshift STARS is the national schools awards scheme that has been established to recognise schools that have demonstrated excellence in supporting cycling, walking and other forms of sustainable travel.

The scheme encourages schools across the country to join in a major effort to increase levels of sustainable and active travel in order to improve the health and well-being of children and young people.

Thanks to the hard work of Miss Haywood we have been awarded the **GOLD MODESHIFT STARS**.

We will continue to promote sustainable travel by taking part in TRAVEL SMART week and in November we will be taking 3 children to the regional awards in Stoke On Trent.

Term time holiday requests

New guidelines were issued by Derbyshire County Council regarding parents requesting holidays in term time. These will soon be available on the school website.

In short:

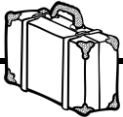

Absence due to holidays will NOT be authorised (a 'G' will be entered into the register)

Exceptional circumstances will be considered

Penalty notices may be issued regardless of overall school attendance

Further details available soon.

If you require any further information before we issue these guidelines please contact the school office.

Please check the school website and Facebook page for further information and dates etc

Encourage – Enjoy - Excel
