Surveys and questionnaires

Thanks to those parents who completed the latest questionnaires. We have published the results of the general survey on the PARENT section of the school website and will be collating the behaviour information after it closes next week.

Whilst we publish information on Facebook, we understand that not all parents access this. Our website also displays the latest Facebook feeds so please use this to keep up to date with latest events.

We try to keep the calendar as up to date as possible.

We currently have 2 vacancies on our Governing Body Team. If you are interested in getting involved with the school and have a couple of hours to spare in the evening each term then please contact Mrs Rainsford in the school office.
