KS1 Newsletter - Spring 1 2018

Happy New Year to you all! We hope you have had a super Christmas and are looking forward to a great year ahead.

PE kits

Please ensure that your child keeps their PE kit at school **every day** and has warm joggers/jumpers for the colder months. Please name all kit so that we can return lost items to their owners.

Water Bottles

Please make sure your child brings a bottle of water to school daily as it is important to stay hydrated.

English

We will be basing much of our English work for this half term on the book, 'The Emperor's Egg' by Martin Jenkins. We will be working on poetry and information writing.

Homework

Homework is given out on a Friday and usually needs to be completed by the following Friday. Children are given stickers to reward them for the effort they have put in to doing it. A copy of the homework can be found on our website.

Reading

Please give your child the best start to 2018 by listening to them read regularly at home.

Also, help KS1 win the weekly prize for the most reading at home.

Listen to your child read regularly and sign/date their reading record. We keep a daily record of who has read. Your child will get stickers for reading at home too.

Topic

Our topic for this half term is based on the book of 'The Emperor's Egg'. We will be learning about life in the Antarctic and linking it to weather.

123 Maths

Year 1 will be covering place value, numbers to 20, addition and subtraction to 20 and multiples of 2, 5 and 10.

Year 2 will be covering multiplication and division, statistics and geometry: properties of shape.

Welcome

We would like to say a great big WELCOME to our new year one teacher, Miss Baker. Her class will now be called 1B.
