A Fun day out for you and your family at the University of Nottingham! – Saturday 16th June 2018

Dear parent/carer,

I am writing to let you know about an exciting opportunity for your family. Dallimore and Ladywood Primaries have been invited to attend a **Family Discovery Day** at the University of Nottingham on **Saturday 16th June**. This trip is open to the whole family to attend, including children who have not yet started school, older children who have left primary school and any other family members you would like to bring along.

There will be a range of fun, hands-on activities for adults and children to try, ranging from trying out Viking weapons, doing some colourful chemistry, finding out how to solve the Rubik's Cube and many more!

Travel to the University and back will be organised by school. More details of timings will be provided nearer the time but it is likely that the bus will leave from outside Dallimore at approx. **12.15pm and return for 3.45pm**

The **Family Discovery Day** is completely **free** but you may wish to bring some money for refreshments etc.

Shortly before the trip, there will be an after school session **in school** (Thursday 24th May) for you and your children to attend. At this fun session, you and your children will find out more about University and what to expect on the Family Discovery Day. Details of this will be provided nearer the time.

If you would like to attend the Family Discovery Day, please return the slip below to the school office as soon as possible as there are limited places and these will be allocated on a first come first served basis.

Yours sincerely

Mrs R Crowther
Headteacher
Dallimore Primary and Nursery School

Miss M Lawson
Headteacher
Ladywood Primary School
