Headteacher: Rachel Crowther

Dear parents/carers,

We wanted to make you aware of a few things happening in year six this year.

## Afterschool revision

During their time in year six, your child will be offered afterschool revision sessions. This will support them with their learning in class and allow them to improve things that they find tricky. These are beneficial for all children and you will receive a letter in a couple of weeks with more details.

## Homework

Spellings will usually be given out on a Monday and the children will have a spelling test that will take place each Friday.

The children will receive a homework menu for their topic work from which they can choose one task per week.

## Times tables and reading

As well as their weekly homework, any time that the children can spend reading or working on their times tables at home is really beneficial for their learning in school. The children have been given their new reading records and should bring this home each night and return it to school the following morning. Any reading that they do at home should be recorded in their reading diary.

We will be getting a new times tables app for the computers in school and they will be able to use this at home too. We will make you aware of this in the coming weeks.

## PE kits

Children should bring their PE kit into school on a Monday and take it home with them on a Friday.

## Our topic: Kings and Queens

### Science: Healthy Living

### RE: What makes a good leader?

Thanks for your continued support.

Yours sincerely,

M.Gotheridge, J.Dickenson and K.Martin.
